From The President

Dear Fellow Phi Betes,

Change. We have certainly all experienced a great deal of that lately. Of course, there have been big changes in Washington and on Wall Street, and as I write this, our unseasonably warm weather has been replaced with seemingly unending rain.

Our Association has experienced change, too. First, in July we welcomed **Judy Hardardt**, who has assumed the duties of **Stanley Kahn** as our First Vice-President, Programs. Many of you have already enjoyed the wonderful events she has organized for us in the past few months. Please see pages 4-7 for the stimulating programs she has planned for the future.

Second, after serving admirably for longer than any other person in that position, **Letitia Sanders** has transferred her databases and supporting materials to **Alex Harding**, our new Third Vice President, Membership. Thank you, Letitia, for your many years of devoted service, and notably for your innovations and reports that have saved our Association both time and money. And welcome, Alex. We are all looking forward to working with you.

Change was also the theme of our twenty-third annual Asilomar Conference in February. **Jae Emehiser**, with his wife Pat, did their usual superb job in organizing and running the conference. But "Change" was not just the theme; it also became reality when, after leading us for three outstanding years, Jae turned over the duties of Asilomar Chair to **Calvin Wood**, who will be helped by his wife, Dixie. Thanks, Jae, for a job well done, and welcome, Calvin. Check the website at www.asilomar.pbknca.org for pictures from, and information about, this wonderful event.

Change also occurred in the Corresponding Secretary position. **Georgia Maslowski** has done an excellent job for us the past three years and will be replaced by a first-time Asilomar attendee, **Joanne Williams**. Thanks, too, to you, Georgia, and welcome, Joanne. In addition to these changes, at Asilomar, we were also able to replace three veteran members of the nominating committee who had been "termed out": **Mary Hanel**, **Gordon Repp**, and **Brenda Shank**. Agreeing to take their places are **Peete Baer**, **Gerry Richards**, and **Cal Wood**. Thanks to the "old-timers" and welcome to the newcomers.

Some things haven't changed, though. If you have attended Asilomar in the past, you know that besides being a fertile ground for recruitment, Asilomar continues to be a valuable event for our Association, both intellectually and socially. What you may not realize is that the profits from the conference fee each attendee pays account for almost two full \$5,000 scholarships.

As winter changes into spring, I am looking forward to another successful year, culminating in our Annual Meeting and Awards Dinner where you can see what actually happens with your dues and donations. To hear both the Scholarship and Teaching Excellence recipients tell about their work, and how much our awards mean to them, is an inspiration to us all and makes everything we do for the Association worthwhile.

If you haven't joined us before, maybe it is time for a change. This year's dinner will be Sunday, May 3, 2009 at the Berkeley Faculty Club. (See page 5 for details). Please mark your calendars and plan to join us then for this special event.

Jean Ellen James, President

WE'D LIKE TO HAVE YOUR EMAIL ADDRESS

Don't worry, we won't send you weekly or even monthly newsletters, but occasionally we have an announcement – for example, the March event didn't get in the last newsletter, so we sent out an email announcement. Email is also the way we can correct critical errors in our newsletter such as the date for the Blackhawk Auto Museum tour.

Please send us an email from your email account to contact@pbknca.org, and include your name as it appears on the mailing label as the subject of the email.

You can be confident that we will not share our list with anyone, I promise; and you can opt out easily at any time.

ΦBKNC PARTICIPATES IN CHAPTER INITIATIONS

Our Association sends one or more representatives to initiation ceremonies at all eight of our affiliated college chapters: UC Berkeley, UC Davis, UC Santa Cruz, University of the Pacific, Mills College, San Francisco State University, Santa Clara University, and Stanford University.

NCA participation increases awareness in the graduates that our ΦBK alumni/ae associations are nationwide and are a great opportunity for networking after college.

At the ceremonies, we seek nominations for our Teaching Excellence awards as well as encouraging applications through the universities for our graduate scholarships. Our NCA volunteers become more involved on the college campuses and sometimes are invited to events throughout the year.

Please contact me if you are interested in participating in an initiation ceremony this spring. Most of the 2009 dates are covered already, but we always appreciate having names for backup! Thank you.

Janiece Nolan, Ph.D., Chapter Liaison, jn1137@aol.com

Upcoming Events

Our **Annual Meeting and Awards Dinner** will be held at the UC Berkeley Faculty Club on May 3. Be sure to put this important event on your calendar! Details are included on page 5 of this Newsletter.

Current programs planned for 2009 include in March, a guided tour to see the amazing **Murals in the Mission District of San Francisco**; a docent-led tour in April, "**The Dragon's Gift: The Sacred Arts of Bhutan**" at the Asian Art Museum in San Francisco; a visit in May to the **Asian Botanical Gardens** in Glen Ellen; and in June, a visit to the **Bay Area Turtle and Tortoise Refuge** in Castro Valley.

Please keep checking the ΦBKNCA website (www.pbknca.org) for new events which always include the details of our tours, as well as other information regarding ΦBKNCA. Also, please sign up for the email list (see page 3).

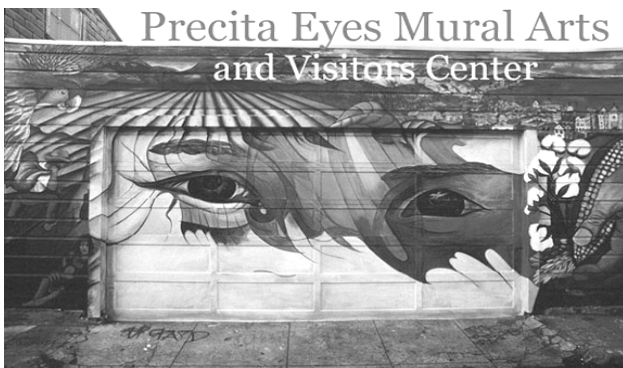

And don't forget that if you haven't attended an event lately, you are missing some terrific experiences! You might be pleasantly surprised at not only what you may learn, but also by the wonderful camaraderie of our members.

Due to limited space and the increasing cost of the newsletter, we can no longer provide directions from all points of the compass for each event. We suggest you use Google, Mapquest or your GPS to get specific directions from your home. If you cannot do this, you may email me at hardardtj@comcast.net for general directions, or send a stamped self-addressed envelope with the name of the event to Judy Hardardt, PO Box 2038, Davis CA 95617, or call me at (707) 696-9498. Generally, directions will be available at www.pbknca.org.

If you cannot make an event, even if it is at the last minute, call my cell phone (707) 696-9498. There may be others waiting that can take your place. And please be on time – it is not fair to others to have to wait for you.

Judy Hardardt, First Vice President - Programs

Treasures of the San Francisco Mission District, Thursday, March 19, 2009.

Website: www.pbknca.org

The largest collection of Hispanic murals in the world outside of Mexico are found in San Francisco's Mission District. We will see approximately 80 of the almost 200 murals chronicling Latino history in a tour led by Gary Holloway, Bay area walking tour guide extraordinaire.

Included in our visit to the Mission District will be a stop at the Precita Eyes Mural Center, home of *Mujeres Muralistas*, where about 90% of the murals are created by women and where we will also have a chance to learn about their educational programs and community outreach efforts.

In addition, the tour includes a visit the Cesar Chavez School and Balmy Alley, both displaying a collection of extraordinary murals. Our visit will culminate in a stop at San Francisco's oldest ice cream parlor, the "St. Francis", complete with its original soda fountain, where we may enjoy lunch or some good ice cream concoctions.

Date: Thursday, March 19, 2009

Deadline: March 13, 2009

Because of the timing of this newsletter, in order to ensure that your reservation for this event is received, mail your completed coupon and check asap. In addition, please call Judy Hardardt at (707) 696-9498.

Time: 11am

Minimum: 20. **Maximum:** 25

Price: \$15

Directions: As the Mission District is level, it is very walkable and "user friendly". **We will meet at the 24th and Mission Street BART Station, on the surface level, northeast corner.**

Your best choice is to drive to the BART station closest to your home, then take the BART to the 24th Street exit. To plan the trip entirely by public transportation, go to www.511.org. This neat site will tell you what combination of public transportation to take - bus, BART, whatever! (Set the date to Thursday March 19, and the walking distance to more than ½ mile if you can do it, otherwise you may get some weird bus routing as the site attempts to keep your walk under ½ mile.)

However, if you must drive, city parking is less of a problem in this area. Check Google, Mapquest or your GPS to get specific directions from your home. If you cannot do this, you may email Judy at hardardtj@comcast.net for general directions, or send a stamped self-addressed envelope with the name of the event to Judy Hardardt, PO Box 2038, Davis CA 95617, or call Judy at (707) 696-9498.

Private Docent-Led Tour of "The Dragon's Gift: The Sacred Arts of Bhutan"- Wednesday, April 22, 2009

The Dragon's Gift: The Sacred Arts of Bhutan. Asian Art Museum

We will enjoy a private docent-led tour of this exceptional exhibit, comprised of more than 100 works of art dating from the eighth to the twentieth centuries, including thangkas (paintings on cloth), gilt bronze sculptures, and ritual objects.

Located in the Himalayas to the east of Mount Everest and Nepal, Bhutan is unique as a sovereign nation that has maintained its culture, arts, and religious and political traditions intact. It is one of the few countries in Asia that was never colonized by its neighbors or by Western powers. The first exhibition of its kind to focus on the Himalayan nation's Buddhist culture, **The Dragon's Gift** provides an exceptionally rare opportunity to view some of the most sacred and beloved Buddhist arts of Bhutan. Many of the objects remain in ritual use in temples and monasteries and have never before been accessible to a Western audience. In an unprecedented effort, the exhibition also documents ritual Buddhist dance forms through video footage that will be shown on monitors situated in the galleries.

Note: The Café Asia at the museum will be available to us for lunch. If you are interested in lunch at the café, please include that information when you send in your reservation coupon and payment for the event.

A Visit to Bay Area Turtle and Tortoise Rescue- Saturday, June 6, 2009

Lance Iversen / The Chronicle

Lewis Carroll: "We called him Tortoise because he taught us...Achilles had overtaken the Tortoise, and had seated himself comfortably on its back... 'You flatter me - *flatten*, I mean, said the Tortoise; for you *are* a heavy weight, and *no* mistake! Well now, would you like to hear of a race-course, that most people fancy they can get to the end of in two or three steps, while it *really* consists of an infinite number of distances, each one longer than the previous one?'"

The largest tortoise refuge in northern California is in our own backyard, where Ginger & Gary Wilfong care for hundreds of injured, threatened, and unwanted tortoises and turtles at their home in Castro Valley. We will visit the refuge and learn how this dedicated couple found their mission in life, rehabilitating and releasing back into the wild when they can, and how they care for the tortoises and turtles when release is not possible.

The Bay Area Turtle and Tortoise Rescue doesn't have a website, but some articles have been written. For links to some great pictures and more information, see the ΦBKNC A online newsletter at www.newsletter.pbknca.org

CALLING ALL CAL BEARS

The Berkeley ΦBK chapter supports its graduate scholarships well, but there's no money for any kind of reception at the ΦBK initiation. As we did last year, we're asking Bears and FOBs (Friends of Bears) to contribute for a reception after the initiation in Wheeler. Initiation is May 14, Wheeler Auditorium, 4 p.m. All are welcome.

This is not a ΦBKNCA event - just our attempt to make ΦBK initiation a little more memorable for the Cal initiates.

Contact: Joanne Sandstrom, Second Vice President, 1958 Manzanita Dr., Oakland CA 94611, 510-339-1352, joannes@berkeley.edu

Make checks payable to PBKNCA. If there is more money than we need, it will be set aside for next year's initiation reception.
