SALUS PATRIAE

Founded December 5, 1776

June 2016

From the President

As I begin my sixth year as President of Phi Beta Kappa – Northern California Association, I thank the membership for its confidence in me. I have enjoyed serving ΦBKNCA these past terms and look forward to an equally pleasant experience in 2016-17.

Funds for our scholarships and awards come from your membership fees and gifts (all fully tax-deductible), also from any profit on our social programs. Please support ΦBKNCA however you are able: attend our monthly events to meet other members and to learn about the wonders of the Bay Area, donate to our Scholarship and Teaching Excellence funds, and join a hundred or more “seekers after knowledge” at the annual Asilomar conference over the weekend of February 10-13, 2017. (Note that this is NOT Presidents’ Day weekend, but the prior one, due to Asilomar’s scheduling another event on “our” weekend.) I look forward to meeting many of you there.

Mary Turner Gilliland, President 2011-2017

Our Board this coming year consists entirely of returning officers and chairs! I am so pleased that everyone was willing to “re-up” for another term. They are a delightful group with whom to associate and make my job very easy, as they do all the work! The 2016-17 Nominating Committee still consists of the same eight members: Judy Hardardt – Chair, Elizabeth Archambeault, Megan Carlucci, O’Neil Dillon, Tom Jew, Maria Norall, Gerry Richards, and Megan Winkelman. If you should feel a yen to participate in the governance of ΦBKNCA, please contact one of these people to discuss the various openings we may have in the future.

At the Association’s Annual Meeting, held 7 May 2016 at the Bancroft Hotel in Berkeley, we presented \$7500 scholarships to ten graduate students from five universities in our region. We also gave four Teaching Excellence Awards to faculty members from four different campuses; these professors were nominated by previous students for their outstanding ability to make learning interesting. It is not too early to nominate a teacher who had a great impact on your life; see the Teaching Excellence Awards section on page 2.

Upcoming Events

Be sure to read this important information about our enrollment, refund and cancellation policies. If you cannot attend an event for which you have a reservation, please contact Jon Stolle at (831) 917-2509, other members may be waiting. If you call in advance refunds may be available unless Φ BKNCA will lose scholarship money — that is, unless we are financially committed, based on your enrollment, to an organization at which the event will be held. We are most grateful to those who prefer to donate the program fee to the scholarship program in lieu of a refund. Members who just “don’t show up” will not receive a refund. Most events can accommodate you and any friends or family you’d like to bring along. Occasionally an event will have a limited enrollment, in which case we may not be able to accommodate more than one member and one guest per enrollment. You will not receive written confirmation of your reservation for the events. Directions are available from the event websites, Google.com, your GPS, or on the day of the event, by calling Jon at (831) 917-2509.

of principal artists, for which it has purchased fourteen apartment units to provide rent-free accommodation. Until 2004, the company performed in the Montgomery Theater in San Jose's Civic Auditorium complex, but since then it has performed in the remodeled California Theatre, now a performing arts venue in the city.

We will have a backstage visit to see how Opera San José prepares for their productions. Our guide will be Larry Hancock, who assumed the role of General Director of OSJ in June 2014. The shops will be empty, but Larry will orient us to how and what they are preparing, there will be no technical staff there on a Saturday.

**Saturday, September 24, 2016 at 2:00 pm
visit Ramini Mozzarella. Deadline Sept. 1**

Ramini Mozzarella of Tomales, CA was founded in 2009 by Craig Ramini and Audrey Hitchcock, with a dream of raising Italian water buffalo and becoming the only Americans currently making authentic, artisan buffalo mozzarella. Audrey says "We love animals and wanted to spend our days with these amazing, exotic creatures. We'd learned they could be as loving as dogs if treated with affection and care. We also learned no one at that time was producing buffalo mozzarella in the US. We knew the cheese was incredible, and thought: Americans should have this cheese produced domestically and experience what the Italians have discovered in these rich, porcelain white, creamy balls of fresh cheese. Its shelf life, if made as the Italians do, should be only three days. Importing it from Italy means we are getting it, more than likely, past its prime or previously frozen. The challenge was on and we were ready!"

Audrey will give a 45 minute talk followed by a tasting surrounded by buffalo and a chance to pet the babies. Guests are encouraged to bring a picnic and beverage of their choice which can be eaten during the tasting in our picnic area.

Friday, October 21, 2016, 10:00 – 12:00
Point Lobos Walking Tour. Deadline September 30

Point Lobos, that magic place, is never the same twice. Each and every walk is a new adventure as nature always writes the script. Called the "*greatest meeting of land and sea in the world*" by landscape artist Francis McComas, Point Lobos is considered the Crown Jewel in the California State Park system. <http://www.pointlobos.org/>

Highlights of this 2-hour walking tour of Point Lobos include:

- Hiking trails: which offer fabulous views over headlands, across Carmel Bay to Carmel-by-the-Sea and Pebble Beach, the home of the famous 17 Mile Drive.

- The Reserve: which is a natural area of dramatic granite cliffs, unusual rock formations, caves and beaches. It is geologically unique and contains rich and diverse plant and animal life both on shore and in the water.
- Wildlife: we'll use a spotting scope to help us watch sea otters, seals and sea lions. During the winter months there is a good chance of seeing migrating California Grey whales. Point Lobos is also an important overwintering spot for Monarch butterflies, and spring time brings California Harbor Seal pups, nesting birds and new fawns.
- Human history: from fishing and whaling to cattle grazing and quarrying granite, the people who called Point Lobos home tried their hand at it. It was home to several dairies and a Japanese migrant village of abalone divers who were employed by the Point Lobos Canning Company. A subdivision was laid out and lots were sold, but it was the vision, foresight and actions of owner A.M. Allan that Point Lobos is protected today.

Cost: \$30.00

Maximum of 15 attendees, minimum 12.

When: Friday, October 21 at 10:00 a.m.

Deadline: September 30

Location: Hwy 1 South of Carmel at Point Lobos State Park (Car Pooling is encouraged because of parking limits in the area).

Detailed information on the tour will be sent two weeks in advance of the event.

The 31st Annual Asilomar Conference is coming Feb 10 – 13, 2017

Asilomar once again beckons! Last year's conference reminded us of the pleasures of a dialogue in the liberal arts – a conversation that flows from history to literature, from biology to design, from neuroscience to music to foreign affairs.

We had a slate of extraordinary speakers representing a broad range of disciplines and pursuits. As always, we look forward to sharing a mental workout but also to the privilege of renewing old friendships and beginning new ones – all in a location of exceptional peace and beauty. Thank you for joining us in what promises to be a lively and exhilarating exchange.

Details will be in the September newsletter, but you can see information about last year’s wonderful event at www.pbknca.org/asilomar/asilomar.2016.phi.beta.kappa.pbk.php. It is not too early to sign up now! Coupon on page 12.
