Eight Scholars and Four Teachers Honored. May, 2020

Awardees have made Videos of their “Annual Meeting Talk”

Without an Annual Meeting at which to present our awards, we asked the awardees to make a video of their acceptance talk. These are now available on the YouTube *via* our website. Go to www.pbknca.org, then use the menubar at the top, click on Scholarship, then Awardees for the students, or Teaching, then Awardees for the Teaching Excellence. There are links by most awardees that go to the YouTube videos.

In fulfillment of its mission to encourage scholarship and research, the Phi Beta Kappa Northern California Association has honored the following outstanding Phi Beta Kappa graduate students with \$7,500 scholarship awards to assist them in completing their educational objectives. Go to www.pbknca.org/scholarship/scholarship.winners.current.phi.beta.kappa.pbk.php

In addition to scholarship awards, we honor faculty members nominated by their ΦBK students. In 2020, the following four received certificates and honoraria. Go to <https://www.pbknca.org/teaching/teaching.winners.phi.beta.kappa.pbk.php> for more about these distinguished teachers.

From the President

As you continue to shelter in place or venture out **carefully**, thanks to Covid-19, we on the PBK-NCA Board hope you are keeping mentally active, if not as physically active as you might like. Many thanks for being a member of our Northern California Association.

While circumstances don't permit us to hold events in person, O'Neil Dillon, our First Vice-President for Programs, is planning some wonderful Zoom excursions for us to enjoy during our enforced quietude. See our website (www.pbknca.org) or page 3 in this Newsletter for descriptions of what he has on offer.

In May, which seems a long time from now, but which will be here before we know it, we'll confer scholarships on worthy graduate students from our association's campus Chapters. The hard work of Second Vice President-Scholarships, Joanne Sandstrom, and her committee (and your monetary contributions) makes this possible. My thanks to all members who have given generously to our scholarship program during the past year and before. Please keep it up! We didn't hold our Annual Meeting this past May due to the virus, and we don't know what May 2021 will bring, but we **shall** give scholarships again this coming year

We encourage nominations for our Teaching Excellence awards for faculty members at the universities in our Association area that have Phi Beta Kappa chapters. If you were motivated, impressed, or enthralled by a teacher at any of those schools, please nominate him/her for a Teaching Excellence award, using the form available at www.pbknca.org/teaching/ Teaching Excellence Chair Melissa Stevens awaits your input. Former recipients are often featured speakers at our Asilomar conferences.

Speaking of Asilomar, we regret that our annual Presidents' Weekend symposium, which was to be held this coming February at Asilomar in Pacific Grove, has had to be cancelled due to the uncertainty of the Coronavirus. Asilomar Chair Deirdre Frontczak was able to transfer our down-payment for 2021 to our 2023 reservation (2022 has already been paid), so the Association isn't out any money for cancelling. Deirdre (dfrontczak@santarosa.edu) would be delighted to hear from you with suggestions for speakers for 2022. It's never too early to get organized for our next weekend at Asilomar! Wishing you a peaceful autumn and happy holidays,

Mary Turner Gilliland, President 2011-20

Upcoming Events

Due to the Covid-19, we will not be having any in-person events, but O’Neil Dillon, our First Vice–President for Programs in cooperation with Deirdre Frontczak, Asilomar Chair, and Mike Sitzer have planned some Zoom presentations of past Asilomar programs. The opportunity to “re-see” some of these presentations will be a rare treat for those of us who have attended and enjoyed these programs - but have sort of forgotten the details. It will also be an opportunity for those of you who have never attended Asilomar to see what you have been missing all these 34 years. O’Neil, Deirdre and Mike have not decided which programs to show, look at the Asilomar pages on our website to read about the former speakers (<https://www.pbknca.org/asilomar/asilomar.2020.phi.beta.kappa.pbk.php>)
